## REPORT.

---

The Committee submit their 39th Annual Report.

The number of patients nursed in the Hospital during the year ended 31.12.38 was 106 against 82, for the previous year. The daily average number of patients was 2.6 against 3.4 in the previous year, and the average number of days for each patient 9.4 against 15.7 in the previous year.

The year was started with a debit balance of £31-0-2 on the maintenance account, and closed with a debit Balance of £55-5-1.

The "Pound" Day held in December realised £5-5-3 in cash and goods to the value of about £18. The Committee are grateful to all contributors, and make special mention of the help given by the people of the Dales.

The weekly contributions by the employees of the<sup>1</sup> United Automobile Services, Ltd., Messrs. Woolworth's, Ltd., the Corporation, Messrs. Ringtons', Ltd., Messrs. Moores' Stores, Ltd. and Mr. W. T. Harrison, are again much appreciated, also the gift of groceries to the value of £5-5-0, which the Co-operative Society again so kindly made in lieu of subscription.

The House-to-House collection resulted as follows:—

Mrs. W. W. Foster, £12-6-0 ; Miss Rachael Roper, £12-1-11 ; Mrs. S. C. Davis, £10-18-1 ; Miss Jopling, £8-15-9 ; Mrs. Best, £8-4-0 ; Miss P. Roper, £8-1-9 ; Mrs. Miller, £5-7-0 ; Mrs. Bush, £4-14-0 ; Mrs. Harrison, £3-4-4 ; Nurse Thomas, £2-3-2 ; Miss Foster, 15/8 ; Miss Thomson, 5/0.

Total, £76-16-8, an increase of £4-13-9.

An arrangement has been come to with the Committee of the Memorial Hospital at Darlington, by which, in approved cases, persons, who are in the Contributory scheme and thus entitled to admission to the Darlington Hospital, may be admitted to the Victoria Hospital for treatment without charge.

The Committee regret to report the receipt of Miss Alderson's resignation of the post of Matron and tender to her their thanks for her devoted service during the past 16 months and best wishes for her future welfare.

The Committee tender their thanks to all subscribers ; to the Clergy who so kindly gave a Special Offertory ; to the Collectors ; the Ladies on the Visiting Committee ; the Honorary Medical and Dental Staff for their valuable services ; to the Nursing Staff for their constant care and attention to the patients ; to Mr. C. S. Wilkinson for auditing the accounts ; to the members of the Toc H, for their many kindnesses ; to Mr. Morton for the loan of a wireless set on many occasions ; to Mr. Rutherford and Mr. Kinchin for their services ; and to all who have helped the Hospital in any way during the year, and solicit a continuance of their kind support.

Subscribers are reminded that subscriptions are due, according to the rules, on the **1st January**, and it is a convenience to receive them as early in the year as possible.

The Committee will esteem it a favour if any Lady who cannot visit during her month, will kindly let the Secretary know, so that a substitute can be arranged for.

Average Cost per patient per week = £1-9-0.

The Committee trust that all gifts which have been so kindly sent to the Hospital, have been accurately entered in the Report, but if any gift has been overlooked, they beg that the donor will let the Secretary know. Private gifts to special patients are purposely not mentioned.

Flowers are most acceptable, as they brighten up the wards so much and give the patients something fresh to look at. Fresh cream, butter, fruits, vegetables, eggs and jam are also very well come gifts and old linen would be very acceptable.

The Committee thank Mr. Cherry for so kindly preparing and keeping game, etc. for the Hospital.
